## Commencement, 1945

As we look ahead to this year's peacetime graduation, let's look back for a moment to the last. It was a happy time, despite the fact that the shadow of war was only partially lifted, and that some familiar faces were missing—called to the service of their country before they had time to finish their courses.

Saturday, June 9, marked the beginning of the eventful week end. The group gathered at 2:00 P.M., at Hanscom Hall for the following program of Class Day Exercises:

Address to Undergraduates	Freeland Savage
Class History	Mary Sue Adams
Gifts to Girls	Archie Young
	Emil Winter, Jr.
Class Will	William Moore
Gifts to Boys	Mary Swasey
	Mary Lou Chapman
Class Prophecy	Katharine Kellogg
	Stephen Hopkinson
Toast to Faculty	Phyllis Tebbets

Saturday evening the annual Senior Reception was held in the William Bingham Gymnasium. The music was furnished by Ronnie Chase and his Orchestra.

Sunday afternoon the Baccalaureate Service was held in the Congregational Church. Rev. John J. Foster delivered the Baccalaureate address.

At 4:30 the alumni, parents, and seniors gathered at the Headmaster's home for tea.

On Sunday evening a Commencement Concert was held by the following students of the New England Conservatory of Music:

Genevieve Terry	Violin
Muriel Hebert	Soprano
Althea Everitt Hill	Piano

On Monday morning, as the 46 blue-gowned graduates slowly marched into the gymnasium to the "War March of the Priests" by Mendelssohn, each knew that this was a day that would long be remembered after all ranks were forgotten.

After the Processional the assembly sang, "The Star Spangled Banner" and Rev. William Penner delivered the invocation.

The Salutatory Essay, "Backgrounds of Peace," was given by Musa Swan and the orchestra followed with a selection from "Carmen" by Bizet.

Claire Lapham delivered the First Honor Essay, "Dumbarton Oaks—The Assembly" and "A Prayer for These Days" by Parry was given by the Boys' Glee Club.

The Second Honor Essay, "National Planning," was delivered by Robert Foster. The Girls' Glee Club followed with "Flower in the Crannied Wall" by Peck.

Priscilla Carver gave the Valedictory Essay, "Dumbarton Oaks—Or What?" The Varsity Glee Club then sang "Lovely Appear" by Gounod.

Remarks and awarding of honors and diplomas were then made by Elwood F. Ireland, Headmaster.

The following awards were made:

JUNIOR CLASS

### *With the Juniors*

There are 59 members in the Junior Class this year. The class officers were elected as follows:

President	RICHARD DAY
Vice-President	JANICE BOWMAN
Secretary	LARRY CLEMENT
Treasurer	ISABEL BENNETT

And now—here are the Juniors as individuals. What would happen if:

Wayne Allen didn't get ribbed by Mr. Clunie?  
 Carrie Angevine cut her long, wavy, dark hair?  
 Nancy Barnard slept late in the morning?  
 Connie Beeken was defeated in an argument?  
 Isabel (Hunky) Bennett lost some of that pep?  
 John Brown suddenly let out a wild yell? (IM-possible!)  
 Harlan Blake turned Republican? (Poor Mr. Scott!)  
 Robert Chase suddenly acquired a high, squeaky voice?  
 Joyce Chipman didn't giggle for a whole day?  
 Larry Clement didn't have Connie?

### *Marian True Gehring Student's Home*

The next point of interest on our tour of inspection will be the Marian True Gehring Student's Home.

After obtaining permission from our long-suffering, but always cheerful house-mother, Mrs. Goggin, we proceed up the stairs.

From behind a door adorned with a small yellow sign in French we hear the voices of Carolyn Van Dusen and Tomme Gregg debating the advisability of moving the furniture about.

Rounding the corner we glance into a room and find Stan Howard and Jean Murphy desperately stuffing the window cracks in a vain effort to keep out that north wind. A thousand eyes regard us from the next room, four of them belonging to the owners of the Hollywood Art Gallery, Nancy Barnard and Kay Shaughnessey.

In the next room Marie White is knitting a red sock while her roommate, Sukey Linsley, runs across the hall to help Judy Cole and Lucia MacClintock, the pride and joy of Kennebunk and Princeton respectively, put up their brand-new, three-hundred pound radio aerial.

Next, Jean Chipman grabs me and says—"Doncha wanna hair-cut, huh?" while Ruthie Ault just laughs.

Across the hall Ann Terriberry stares into space as roommate Betsy Grandin croons a song—"Max-

welton's Braes Are Bonnie."

We find artist Virginia Scattergood painting "Phill" in large letters on Bobby Packard's notebook.

Accompanied by the strains of the "Warsaw Concerto" drifting from Priscilla Goggin and Barbro Freeze's room we find Leslie Griffin sitting with knitted brow over "Les Miserables" as Shirley Lang sorts some of those many letters she gets—lucky thing!

Polly Crane is posting a sign on her door which reads—"Are you doing your part?" which embarrasses us slightly so we leave after a hello to Margie Davis who's getting ready to go out and feed those Husky mascots.

In the end room we find Jane Scott trying to locate Station W. C. A. U., Philadelphia on her radio while her roommate, Bobby Corson pastes a dehydrated rose-bud in her memory book.

Hurrying up those forbidden back stairs so that Miss Dumais, Miss Gallagher, Miss Newman and Miss Watson, who live on second hall, won't see us, we arrive at Van Durham's solitary abode where they say it's quite 'cole!'

After recovering from the horror of seeing ourselves in the full length mirror we glance into the room where Frannie Vinton and her ever-lovin' cell-mate, Martha Waterhouse, live. We meet Bar-

bara Storey, Mrs. Goggin's always-willing aid, coming out of the next room which she shares with Ruthie Judkins who looks at us vacantly as she hums "Oh Johnnie."

Next door Frankie MacRae is reading a story about nudists to Andi Gleason.

Down the hall we find Bobbie Galbraith telling Jan Bowman that we really aren't spooks after all.

We see spots before our eyes in Joyce Chipman and Mary Jane Mitchell's room, but the duo reassure us that it's only because they've been having an ink fight.

Teddy Mayer is picking up her roommate, Gloria Cutting, from the floor. We knew the weight of Gloria's thirty bangles would be too much for her!

As we poke our heads into the room belonging to Sally Adams and Lyn Vinton, signs advise us that a flat is for rent and that tourists are accommodated!

Sally Shedd and Jane Kanaly are the ones who live in the room with the caty-corner furniture arrangement. Next door Danny Furgeson stares in

fascination at Chuck Collings' new drawing of a bisected skull.

Miss Hinkley and Miss Swift are coming out of their rooms so we say hello to them.

At the very end of the hall Connie Beeken is trying out her new pink ballet slippers while roommate Mary Plummer says—"But how do you do it, Connie?"

From Betsy Norton and Jo Gibson's room we hear music and the thump of jitterbugging feet.

Jessie Jones smiles cheerily at us as she trudges up the stairs and, as we reach the outside door, we are just in time to see Miss Griggs hurrying off to give a music lesson.

Lastly, let's not forget the the girls who weather the Bethel elements—Jeannie Crooker and Myra Stickney at the Fosters' and Betty Barlow, Marilyn Adams, Florence Pike and Nancy Crane at Mrs. Vachon's.

Guess that's all for this year.

HEADMASTER'S HOME

## *Holden Hall*

It seems to me that the subject of Holden Hall should be concerned mainly with the boys who live there, their achievements, quirks, abilities and the general impression of them as individuals, and that anything else is superfluous and irrelevant, as far as this column is concerned. Thanks are due, however, to Mr. Clunie, whose solicitous inquiries for our health and whose personal interest in every individual in Holden Hall is instrumental in maintaining our morale. Thanks also to Mr. Foster, for his aid and encouragement to the photographically minded members of the dorm. Thanks to Mr. Scott for his efficient supervision of the dormitory, to Mr. Chivers for his constant good humor, and to the ladies of the dorm, who have cheerfully aided us by doing everything for us from making popcorn balls to sewing on buttons. Now we will proceed to cases. Starting at room 24 on the second floor, we are going to make some mention of every member of Holden Hall. The inhabitants of room 24 are two very colorful gentlemen. Brother "Spooky" Sprague comes from the wild and rugged islands off the Maine coast; Bill Bowman can be persuaded almost anytime to relate yarns of his adventures with almost anything. Across the hall reside "Dr." Stan Cole and "Red" Norwood. Stan is already a good general physician, as the writer and several others will readily attest; and, if his present rate of progress continues, he ought to wind up with the Mayo Clinic

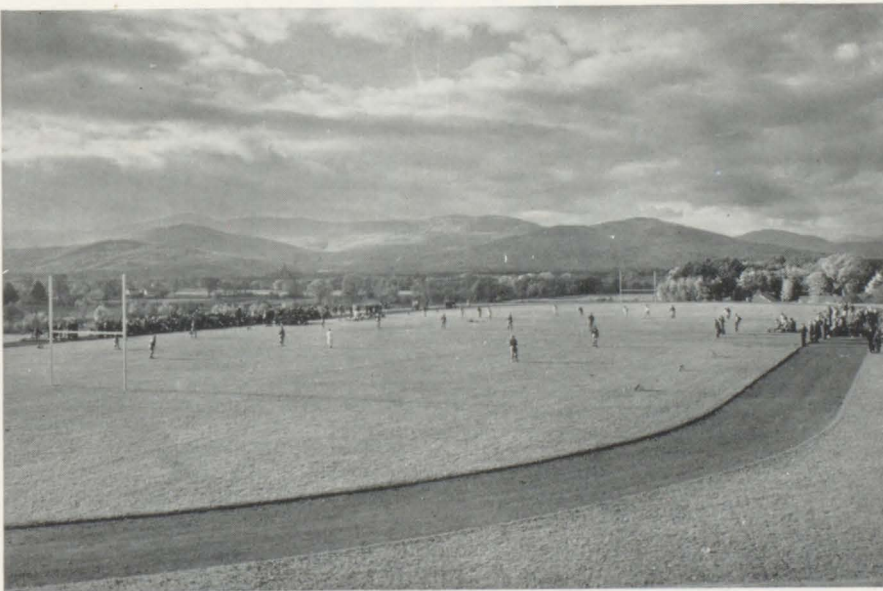

before many more years. "Red" Norwood is one of those natural athletes you are forever hearing about, but seldom meet. The next victim is Larry Littlehale. Larry is the "Yankee Tinker" personified; there is almost nothing Larry couldn't fix or invent, given time and equipment. He is also a faithful member of the "Butt Room".

Meandering down "Allen's Alley," we next come to the room of two characters who are constantly parrying insults with both skill and venom. Pinkham is a faithful habitue of the Butt Room and Bob Lord wishes he were. Mark Rines, a future horse doctor with a terrific temper, and Louis Wood, who is the subject of a very amusing song well known in Holden Hall, occupy the room adjacent to Brothers Pinkham and Lord. Across the hall is the abode of Sherm Cole, a man renowned for the possession of a mellow sax and a still mellow wit. Next to Sherm is Bob Parsons, who for some odd reason refuses to join the "Wolf Club"; and next to Bob is his neighbor Russ Cram, who for numerous well-known reasons is an enthusiastic member of said club. Comfortably settled down at the end of Allen's Alley are Andy Sargent, who is almost always on the ball and "Tink" Burnell, who is usually off in a cloud of dreams. And now we have arrived at the home of the notable President of the Wolf Club, "Hollie" Sturgis and the future Governor of Maine, Dan Bennett. Martin, alias "Koon", alias

"Jim", Bovey is our next host, whom we find in the midst of this discouraging correspondence with an astoundingly large number of educational institutions. Continuing on our merry way, we encounter Sterling Pierce, the dormitory historian, and Jack Marshall, "the man who knows." And, "Holy Moses," what is going on in the next room? There sits "Minnie Ball" with his saber in one hand and Jack Libby's left ear in the other. We leave them to settle their little problem themselves. Next we come to the home of that affable athlete, "Red" Stone, and his roommate, Larry Clement, whose only complaint is that Red pulls all the covers off him on cold winter mornings. "Randy" Foster rooms down the hall from Brothers Stone and Clement. Anything may happen in this section of Holden Hall with Wayne Allen, George Cole, Jack Hawley, and "Rocky" Giles almost continually on the warpath. Gordon Lawry will have left us for the United States Maritime Academy long before we go to press and we wish him the best of luck. In the remaining room on the second floor live Bob Judkins and Patrick, who was a victim of a Vermont horse-doctor during Christmas Vacation. Descending the north stairs to the territory of the lowly freshmen, well behaved ever since the bloody defeat of the "Freshmen Rebellion," we also find a few upper classmen suf-

fering "life among the lowly." The first of these, in our course of travel, is Dick Shields from North Haven Island, the spot that God forgot. Rooming with him is Lee Dymont, a persistent trombone player. "Cuba" Medeiros wants it definitely known that he is an American citizen. Across the hall lives the man with the perpetual smile, Herbie Hunt. Across the hall from Al is that genial member of the Butt Room, Dick Kimball. Next we arrive at the domicile of "Bradford A." Lucas, who holds a promise of being a great help to us in track this year. Johnny Howland rooms next to him, and he is a good fellow even if he does come from Wakefield. Dick Little, the freshman giant is our next host and his roommate is none other than "Shaky" Fernald, the man with the ever ready life-preserver. The next room contains a pair of hoodlums, both of whom suffer from excessive love of horse play, "Honeybucket" Hunnewell and Don Hall. Bob Jobin, the only Eagle Scout in the dormitory, is our next host. And lastly we have the man who sleeps on the pool table, Bob Storey; it seems there's one of those every year. These are the forty-six varieties of the human race which inhabit Holden Hall. They hail from the sunny strands of Cuba to the frigid, rockbound coast of Maine. It's a great race!

### *The Band*

The various musical organizations have done some inspiring work this year. The Band has about twenty-five members and has played at the football and basketball games, adding a great deal to the school spirit. They also played and marched on Memorial and Armistice Days. This year Martin Bovey has been Drum Major and Ann Terriberry and Betsy Grandin delighted everyone

with their skillful handling of the batons.

The orchestra has provided the music for the three one-act plays and the senior play. Members of the various musical organizations have appeared in ensemble and solo numbers for the Parent Teachers' Association, the W.M.S.C. of the Methodist Church and the Ladies' Club and Guild of the West Parish Congregational Church.

In November the Club, being a member of the Maine Federation of Music Clubs, was invited to attend the District Meeting of the Maine Federation of Music Clubs at Auburn. Dexter Stowell, president of the Club, spoke on the organization and purpose of the Club. Roy Lurvey, the Male Quartet, Priscilla Goggin, and the entire Club presented a group of Musical numbers. The Fall concert was held at the Wm. Bingham Gymnasium, December 7th. The Spring concert was held in May.

This Commencement a senior concert will be given by the seniors of the graduating class, in the West Parish Congregational Church, the Sunday night of Graduation Week-end. The numbers will be presented by: Priscilla Goggin, Marie White, Judith Cole, Carolyn VanDusen, Theodore Emery, and Donald Brooks.

A great deal of the credit for the success of each musical organization is due to the untiring efforts and ever guiding hand of Miss Ann Griggs, who directs all these groups.

*Blue and Gold*

In its fourth year of existence, the *Blue and Gold* has aimed to build upon the achievements of its former three editors, Robert Golderman, '43, who has been in the Pacific war area for over a year, Ann Aldrich, '44, now attending Columbia University, and Robert Foster, '45, now in the Navy. Under the editorship of Margery Ann Howard the size of the paper has remained standardized with five printed columns. This year's editorial and business staffs have been larger than ever before.

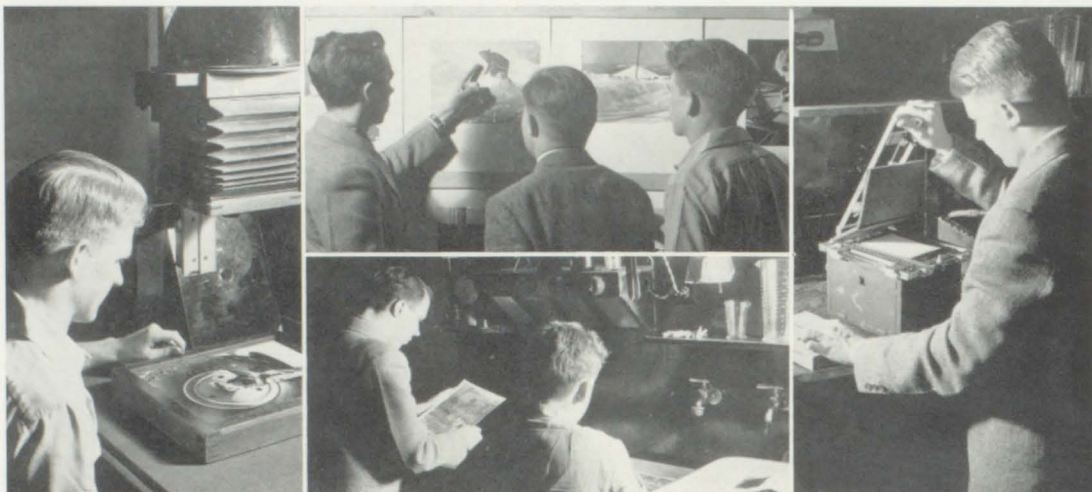

In the first of the year's ten issues, distributed October third the best columns of the preceding year, including *Opinions Appreciated*, *Outstanding Among Us*, and *A Graduate of Gould*, were continued and several new ones added. The column of general observations written with a humorous touch, namely, *Under the Cupola*, was standardized this year after having been introduced in the last of the issues of the preceding spring. A new column was *Alumni Notes*, whose inception was especially suitable at that time when members of

the class of 1945 were beginning their post-prep-school lives elsewhere, in colleges, in the armed forces, and in jobs. In the year's second October 31st issue, a new column, called *Off the Record*, was introduced and was continued in all the later issues. This column has contained late news from the world of popular music—personalities, records, and dance bands. The *Blue and Gold* continues to be a member of the Columbia Scholastic Press Association of Columbia University.

This year's staff has included Janice Bowman as assistant editor, Stanley Judkins as circulation manager, Carolyn Bryant as advertising manager, Louise Bacon as alumni-exchange editor, and Robert Jobin as business manager. A new department, a separate sports staff, has been headed by Carl Wight. Mr. Thompson has continued as the *Blue and Gold's* faculty advisor, and has been especially helpful with suggestions and criticisms when consulted by the staff.

## Camera Club

This year the Camera Club has been even more active than in years past. Martin Bovey has been president and has been assisted by Gordon Bowman as vice president, Janice Bowman as secretary, and Judy Cole as treasurer. Marilyn Noyes was appointed librarian and Gordon Bowman and Leland Brown have done well keeping the darkrooms in order.

The Club meetings were held Thursdays and courses of instruction included kinds, uses, and costs of cameras, photographic magazines, study of composition, mixing hypo, developing and printing roll film, making standard portraits, toning prints, enlarging and mounting.

The darkroom in both Holden and Hanscom Halls have been in use all year by both beginners and old hands.

Three contests have been held in which members of the club entered pictures in competition. One consisted of snow scenes, one of portraits and one of just general subjects.

Outside club meetings many members have entered into the numerous activities such as darkroom

work on the prints of school events which were made in great numbers.

The Club has been able to obtain several shows of salon prints by famous photographers which have been displayed and discussed in Club meetings.

A display room has been finished in the large room outside the darkroom in Holden Hall where a permanent exhibit of the Club's prints can now be seen.

The Camera Club is responsible for the pictures published in the *Blue and Gold* and for the picture pages in *The Academy Herald*.

Hundreds of scrapbook prints of all school activities have been made by Club-members for fellow students.

The Club is looking forward to a Commencement Show of the member's prints which will be bigger and better than ever before.

A great deal of credit is due Mr. Foster, who has led the club through this busy year with such good results.

## SCIENCE CLUB

Back row, left to right: Dick Kimball, Harlan Blake, Mark Rines, Dick Little, Bill Bowman, Dick Shields, Lee Dymont, Lee Carver. Front row: Dick Sprague, treasurer; Larry Clement, secretary; Ted Emery, president; Leslie Griffin, Polly Crane, Kay Shaughnessey, Mr. Emery, Edwin Swain, Donald Lord.

*Science Club*

This year has brought about a startling change in our Science Club. In the fall, membership was opened to everyone interested in any phase of science. Group projects and trips replaced the traditional individual projects. With Mr. Emery, our sponsor, Ted Emery our president, Larry Clements our secretary, and Dick Sprague our club treasurer, we planned numerous explorations into many fields of science.

Dr. Noel C. Little, a professor of Bowdoin College who was connected with the Navy unit there, began the season with his lecture on radar. This was opened to the entire school and we expect that before long we will have another speaker.

It was unanimously decided that every six weeks we would visit some place of interest such as the Rumford Paper Mills, the laboratories of the Lewiston Hospital, Maine University, and perhaps the cancer research establishment at Bar Harbor. Very few of us will forget the bit we absorbed about

gem cutting and polishing while visiting Perham's Maine Mineral Store in West Paris or the fun we had watching the *Lewiston Daily Sun* formulate into print.

Another group project we all have enjoyed are the several movies such as "A Trip to Mars", "Woolen Mills" and the world famous, although not educational, "Bunny Rabbit"!

Mr. Emery readily opens up all the laboratories during our weekly Monday evening meetings and allows us to brouse about experimenting in various fields of science. Ted is busy constructing a radio amplifier, Leslie growing crystals, and there is a group including Kay Shaughnessey, Polly Crane and Lee Carver trying furiously to capture the secret of blowing glass into recognizable figures.

Thus we are learning and having fun doing it. This is the chief aim of the club.

POLLY CRANE '46

### *On the Stage*

The Dramatic Club presented its annual three one act plays, under the direction of Mr. Thompson, on February 16. They wound up the Carnival week-end with a "bang" on Saturday night.

"Birthday Greetings" was cast with Sally Stowell as Eve, the faithful colored maid; Marie White as Mary, the ingenue; Larry Clement as Oliver Upps, a famous New York art critic; Lendall Nevens as Marty Martins, a country friend of Oliver Upps; Marilyn Boyker as Mrs. David Joshua (Ella), a snoopy daughter-in-law; Kay Shaughnessy as Mrs. Benjamin Joshua (Sue), another one of "those pesky daughter-in-laws"; and Frances MacCrae as Mrs. Daniel Joshua, a lovable grandmother and extraordinary painter.

The second play was "Small Town Girl". Stanley Judkins portrayed Warren Young, a small-town businessman; Martha Waterhouse was Elsa Young, his devoted wife; Jean Chipman had the lead as Marian, the older daughter, a sophomore in college; Jane Kanaly did a good job as Shirley, the younger daughter in high school; Bill Haines was Dave Benton, Marian's boy-friend, a junior in college; and Bob Jobin was Max Elliot, a young man interested in writing novels.

The final play, "Stand and Deliver", had Rich-

ard Sprague as Sir Anthony Killingrew, the hero, a rugged and hearty fellow, and Margery Ann Howard as an actress, Jennifer Arle, a very beautiful young woman; Richard Day was to play Sir Richard Carewe, a dashing, handsome youth, but he was sick at the time the plays were presented and his part had to be taken by Mr. Thompson; Francis Bean was Lord Mowbray, a distinguished looking man; Virginia Scattergood played Lady Tarrington, a lively old lady; Mary Plumer was Cicely Fairfax, a pretty, delicate girl; Gordon Bowman portrayed Sir Harry Melville, a friend of Lord Mowbray; and Rocky Giles was Peter, the Lord's look-out.

On the night of April 12, the senior class presented, with the aid and direction of Mr. Thompson, "What A Life", a typical Henry Aldrich play. The characters are as follows:

### *Football*

Meeting his squad of 56 members, the longest roster in Gould's history, on September 10, Coach Scott was hopeful but not too optimistic. He, and assistant Coaches Roderick and Emery, immediately set out to mold a team from 11 lettermen and 45 greenhorns. After two weeks of rugged workouts the team started for Skowhegan to play a team which had a one game advantage in experience. As the final gun sounded, the score was 21-6 in favor of Skowhegan. The Huskies fumbled too much to present a real offensive threat and lacked a real drive on the defensive.

The coaches noticed these defects and held some grueling sessions during the following week to cor-

rect them. With plenty of spirit the boys grappled with Berlin the next Saturday and came out on the long end of a 7-0 count by capitalizing on a couple of last period breaks.

The next game found Gould displaying a great new offensive power which was to characterize future strategy. They came through this game, with Farmington, by handing the visitors a severe 27-7 trouncing. They then went on to smother Norway 35-4, using the second and third teams during the major part of the game.

Seeking revenge from a South Paris team, which had humbled them a year before, the Huskies went onto the field and dominated the game from start

to finish with their offensive and defensive power. Happily the boys trudged off the field with a 34-0 triumph under their belts.

Travelling to Fryeburg, the team pushed the Fryeburg eleven over the field almost at will, as the line opened up enormous holes and the backs shot through them, bound goalward. The result was a 38-7 shellacking of the weak home team.

Due to weather conditions, the game slated for Mexico was played at Alumni Field instead. The outplayed Pintos from Mexico fought hard and held the Gouldites to a mere 6 points up to half-time. Not to be denied, the gridmen of Gould laced into the visitors and amassed a total of 33 more points before the game ended 39-0. The Gould line really played defensive ball and limited Mexico to a net gain of two yards.

Thus the team closed the season with six wins and one loss. The stellar forward wall proved a very valuable aid to the hard plunging backs and its senior members will be missed. Captain Brooks, all Maine center for B schools, Al Smith, a guard, ends Dorin and Norwood, and tackles Stowell, Sturgis, Bovey and Wight will be absent from next year's team. Lawry, Marshall and Sherm Cole will be missing from the backfield. However, prospects look good as such capable performers as Stone, Davis, Croteau, and Captain-elect Don Walker, aided by Cram, Bennett, Giles, Day, and place kicking specialist Parsons will still be available. After this year's successful season, everyone wishes that the boys will be just as successful next year.

## Cross Country

This year, for the first time, Gould ran Cross Country with no little success. Cross Country is a hard and gruelling sport in which endurance is the key note. It is not too much of a spectators' sport, but an unforgettable thrill lies in watching the first five men, with sweating bodies and twisted faces, cross the finish line. There are three good reasons for the continuance of Cross Country. First, we put up a good fight this year and should be able to do even better next year, thus bringing glory to our school. Second, since track doesn't roll around

until spring, it helps condition our men for spring running events. Third, Cross Country took up many of the idle men who weren't football stars and gave them something to do. Under the skillful guidance of Coach Clunie we did well, for we beat Lisbon Falls twice and lost to Portland and Deering although the latter was a very close match.

## \* Overtime

The loss of Archie Young, Kermit Allen, and Lyon, all regulars, from last year's team, left only the two regular forwards, Lawry and Wayne Allen, returning. However, Norwood, a reserve who won his letter in '45, Stone, Marshall, and Davis came up from the J. V. team and proved that their J. V. record of 1945 was no fluke, as they immediately began performing in veteran style. Ted Emery, a reserve from last year, and Bob Lord, a newcomer, filled in to give Gould a well balanced squad.

Height, which has decided many a winning game, was one of the important factors which the Gould Academy five possessed, several of the regulars

reaching the six foot mark. Competition was keen on the court during the early part of the season, and it continued so, even after Coach Anderson found a winning combination in Marshall and Allen occupying the speedy forward berths, Davis at the pivot position and Norwood and Stone controlling the back court. Captain Lawry, Bob Lord, and Ted Emery were other regulars who saw plenty of action during the season. The first game at Gorham (N.H.) was a thriller all the way with the Gould boys producing a hard earned win. The next game, with Norway, proved that the team could certainly keep the leather flying. The final score was 66-12 in favor of Gould.

A shifting zone defense and a fast break proved too great an obstacle for other teams that Gould was to encounter in the fast approaching weeks. Also the quintet's fine teamwork kept the opponents guessing, and they never knew until too late just where the ball was. Perhaps one of the fastest exhibitions of basketball that loyal fans have seen in the fieldhouse this year was witnessed when a visiting Class A Morse team defeated the Gould varsity 53-41. A great deal was learned by the boys during the game and they profited from their defeat. The Morse game broke the winning streak, but the Gould team was not to be denied as it quickly continued its string of wins until the last game of the season at Lewiston tournament.

With one of the cleanest slates in this part of the state, the Gould team was selected as one of the eight teams to compete for the Western Maine Championship in class B schools. In their first game at the Lewiston tournament, the Academy five handed Gorham a 53-30 lacing. The semi-finals proved to be a closely contested game with Gould coming out ahead of Livermore Falls 33-31. In the final game of this impressive season, Traip Academy snapped the win streak by defeating Gould

39-22 and claiming the Western Maine Cup.

This year's high scoring squad certainly kept the nets swishing as it amassed a total of 730 points to the opponents 469. The five boys in the starting lineup each scored well over one hundred points, while the eagle eye of the team, Wayne Allen, kept the scorers busy with 181 points to his credit. It is interesting to note that the team scored an average of 43 points a game.

Not only did the varsity squad enjoy a fine season, but also the Junior varsity. This well organized team handed defeats to every opponent they played, and was contemplating a new record until they lost to Fryeburg Academy 19-18 in an overtime. Their record of 11 wins and one loss is certainly a goal for future J. V. teams.

The 1946-1947 team should certainly go places with three of the varsity five, Wayne Allen, Jerry Davis, and "Red" Stone returning. Other members of the squad and new students should form a team which will be a winner next year.

SKI TEAM, 1946

Back row, left to right: Coach Chivers, Eddie Dorion, captain: Jack Hawley, Bob Croteau, Dick Ireland, Herbie Hunt, Dave Patrick, assistant manager. Front row: Bob Adams, Lee Carver, Sterling Pierce, manager; Martin Bovey, "Tink" Burnell.

## Winter Sports

As the white flakes of winter fell upon Maine's western mountains, returning ski team members, Captain Dorion, Bovey, and Croteau, surrounded by new material consisting of Ireland, Hunt, Hawley, Burnell, Swain, and Adams, prepared for another winter. This year they would be coached by Howard Chivers, who had just returned from the service.

In the first triangular meet at Bethel, Gould skiers placed second with 352 points as they bowed out to Lyndon Institute of Vermont who scored 380 points. Saint Johnsbury was last with 278 points. Ireland took first in slalom and second in cross country, and Dorion took second in slalom and third in jumping and cross country.

The following week-end the team travelled to Kimball Union Academy of Meridan, N. H., where they met a very much more experienced team. The totals of the dual meet were K.U.A. 393 and Gould 365. Dorion won the jumping and Ireland the cross country. Ireland placed second in downhill

and first in slalom, Bovey being our next man. As an inexperienced team we learned a great deal.

The week-end of February 2, the team travelled to Auburn for the Edward Little Carnival where they also competed against Norway, Lewiston, and Rumford. Gould placed second with 351 points against Edward Little's 371 and Norway's 325. In slalom Ireland was first, Dorion third and Bovey fourth; downhill—Dorion seventh and Ireland eighth; cross country—Dorion second, Croteau fourth and Ireland ninth; jumping—Hunt fifth, Dorion seventh and Ireland eighth.

With the urge to get a possible second in the Maine State Championship meet at Bethel against nine competing teams on the 9th. Gould showed steady team skiing and nosed out Edward Little by a point to take the title. Ireland and Dorion took first and third respectively in downhill and the same places in slalom followed by Bovey 9th. In cross country Ireland was eighth and Dorion tenth, and in jumping Ireland placed fourth with his

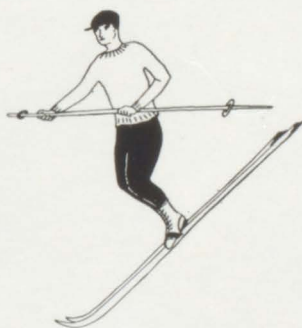

teammate, Dorion, taking ninth. The totals were Gould 361, Edward Little 360, Andover 341, Rumford 323, Norway 279, with Mexico, Deering, Buckfield, and Bingham following.

On the 16th of February, Kent's Hill and Rumford came to Bethel for the Gould Academy Annual Winter Carnival, and, as last year, the conditions were icy. Gould won cross country; Dorion placed first and Ireland took second. Gould on the following day won slalom and downhill and lost the jumping by one tenth of a point to Rumford. The totals were Gould 381, Rumford 360 and Kent's Hill 214. In slalom Dorion placed second with Bovey taking third. Downhill resulted in a perfect score for Gould with Ireland, Dorion, Burnell, Bovey, and Hunt, taking first five places respectively. Croteau placed third, Ireland fourth, and Swain fifth in jumping.

Our final meet was at the Rumford Carnival where Edward Little beat us by only a point. Bovey won the slalom with Ireland second, and Dorion fifth. Ireland tied for second in downhill with Bovey third, and Dorion fifth. Jumping resulted with Dorion capturing third and Ireland seventh, followed by cross country in which Dorion took fifth and Ireland eighth. The total points were Edward Little 379, Gould 378, Andover 367, Rumford 363 with Mexico and Lewiston following.

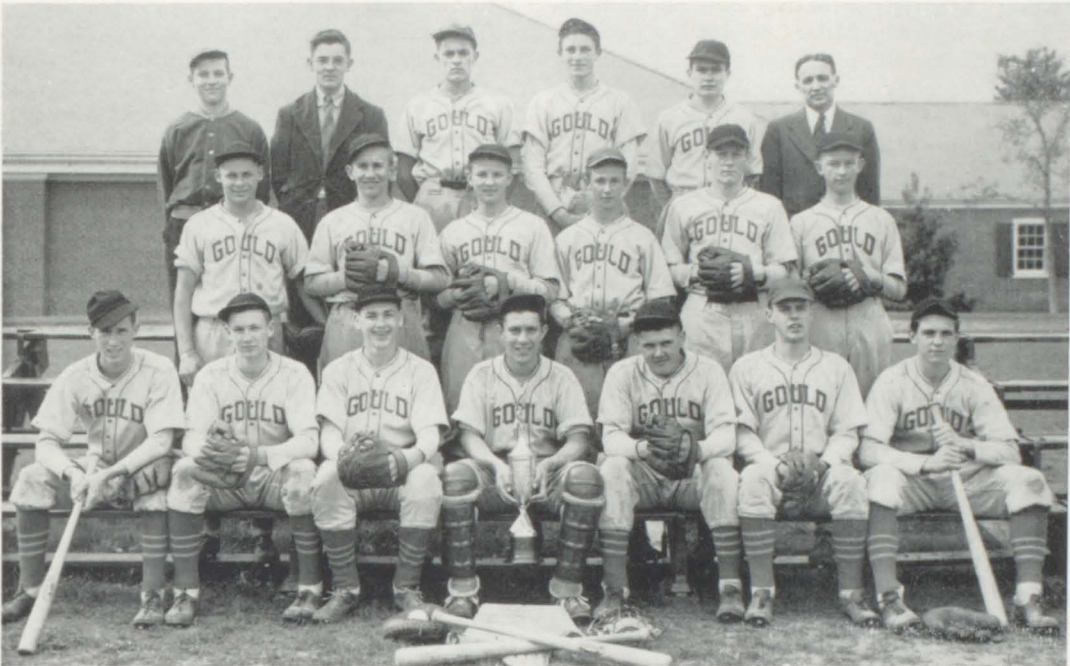

This meet ended our season of competition for the team but trips were made to the White Mountains for spring skiing. Ireland, Croteau, Hunt, and Hawley will form the nucleus of next year's team.

BASEBALL TEAM, 1945

Back row, left to right: Charlie Foote, assistant manager; Hollie Bucklin, manager; Herbie Lyons, Gordon Lawry, Ted Emery, Coach Emery. Second row: Bob Croteau, Bob Parsons, Wayne Allen, Stan Cole, David Stone, Ted Young. Front row: Rus Cram, Albert Norwood, Carl Wight, Eddie Dorion, captain; Al Smith, Phil Heathecote, Kermit Allen.

## *Baseball*

While the wind was still blowing with all its wintry fury outside, Mr. Theodore Emery, in his initial year as diamond coach at Gould, was in the difficult process of trying to pick, from a group boasting of only two lettermen, a baseball team to represent the school in the Western Maine Conference in the 1945 race. It, to be sure, was a task which only a coach can appreciate.

From a group of about forty a varsity squad of eighteen was selected. And then the thinning-out process began. The battery prospects were fairly bright with hefty Herbie Lyon, a sophomore with some previous experience as a starting moundsman, with Captain and veteran backstop Eddie Dorion behind the plate. Besides Lyon, Ted Young, Ted Emery, and Russ Cram proved capable as twirlers with Bob Croteau as relief catcher.

The season's opener found Russ Cram on the

mound out at Bridgton. The Huskies showed signs of power in this one-sided tilt as they batted out a 15-1 decision. (But the opposition was weak, and the Huskies didn't need to play class A baseball).

The next week the Blue and Gold diamonders met an inexperienced Norway nine and handed it a 9-0 drubbing, behind the four hit hurling of Lyon.

Then, with everyone commenting on the brevity of our Maine winter, a North-easter struck Bethel prior to the South Paris game and, although the arch rivals faced each other, the playing conditions favored a football game. Fly balls were flown all over the field, players muffed routine grounders, pitchers' arms were practically numb from the cold. All these accidents seemed to happen on the Gould side of the ledger, while the Cardinals, seemingly oblivious to the wind and cold, proceeded to take

advantage of every Gould bobble, piling up a 15-6 score. The game was the only loss dealt the Academy team in Western Maine Conference competition. Getting this loss out of its system, the Huskies embarked on another scoring spree, flattening Mexico 9-0 and 15-1 in a couple of slugging sessions. Against their next two opponents, Gorham and Bridgton, the boys handed out decisive defeats 10-6 and 9-3. In the latter game the G. A. reserves were sent in by Coach Emery and they proceeded to thump the opposition a la first team.

Then the pressure was really on the Huskies as they journeyed to South Paris to play a return game with the cocky Cardinals, for a loss meant being automatically shoved out of the Conference title. The boys went into the battle with fire in their eyes and before the dust had cleared from the sandy Paris field the scoreboard read Gould 8, Paris 2. The Huskies had their revenge. Then, still traveling, again the chips were down at Fryeburg. Facing one of the most formidable high school hurlers in Maine, Cram and the Blue and Gold team, encouraged by a home run clout by Dorion in the first frame, banged out a 9-5 triumph which was aided no end by a triple play with all the sacks populated.

Following this win up by scalping Milford, New Hampshire 4-3 and Norway 5-1, the Huskies approached their season's climax, for their next tussle with Fryeburg meant the difference between a Gould Championship in the Western Maine Conference, or a tie. Again the fast-baller Cram was on the mound for Fryeburg. That spelled trouble again. The battle was close all the way and only a single by Kermit Allen in the last of the eighth scored Lyon from second with the Conference clinching run and produced a victory 4-3.

An anticipation of a triumph over Gorham High on Commencement Saturday was blown sky high

by the visitors from New Hampshire, who copped a 9 to 5 verdict.

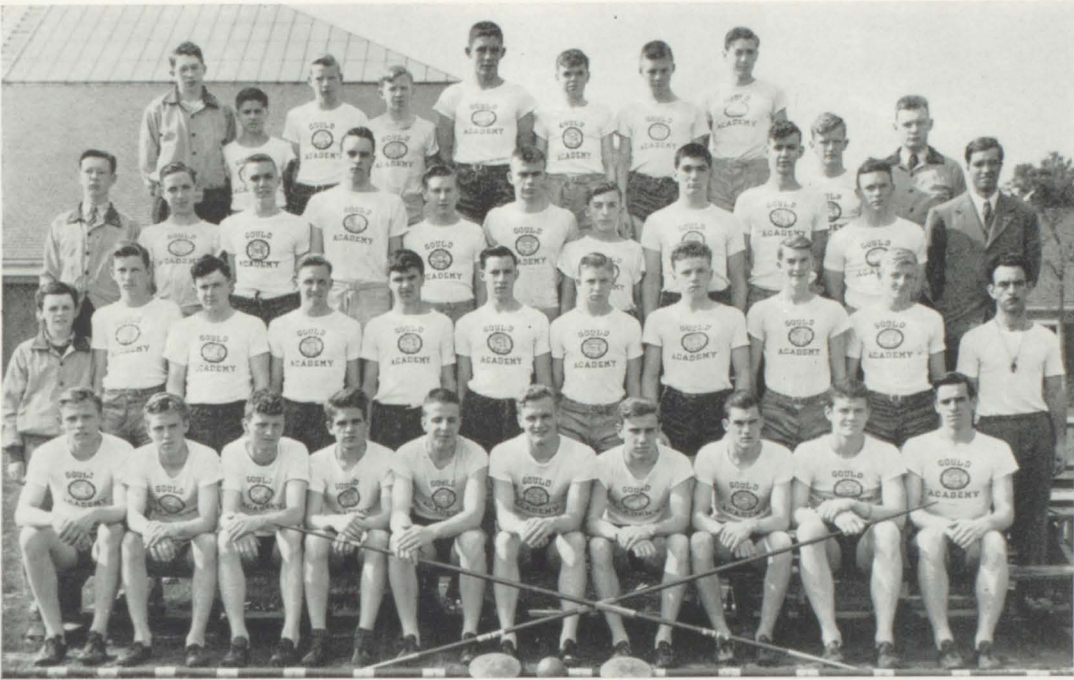

The starting lineup in most of the season's games was Dorion, catcher; Lyon, pitcher; Wight, first base; Parsons, second base; Norwood, third base; K. Allen, shortstop; with the outfield reading; Cram, Hathcote, and Smith. Ted Young and Cram, Heathcote, and Smith. Ted Young and as hurlers with Ted Emery furnishing relief when it was needed.

Gould, in capturing the Western Maine Conference Championship for the first time since 1928, had a banner year, a tribute to the ability of Coach Emery. Perhaps his outstanding trait was his ability to get along with the players. Many times prior to sending his charges out to the field of play he emphasized, "Remember this is just a game. Remember, too, that you'll have more fun if you play a good game. Finally, remember, champions play like champions." He said nothing more. He didn't need to.

## Track

Under the watchful and experienced eye of Coach "Joe" Roderick many track men, both veterans and new comers, began preparing for the 1945 season even before the snow had disappeared from our campus grounds. After much hard practice on the part of his boys, "Joe" was able to mold a team into shape which showed up very well in the various contests. At length the state meet rolled around and Gould did a fine job in capturing the runner-up spot in this battle, thus bringing the curtain down on a very successful 1945 season.

Now once again as training commences for this year's team the outlook appears very bright. Quite a number of veterans will be returning and much of the load this season will fall on such men as Gordon Bowman, (capt.), Martin Bovey, Jr., Dan Bennett, Hollie Sturgis, and Don Walker. Coach Roderick believes from all indications that the season will be a fine one for the Blue and Gold, so as this article goes to press, we want to wish "Joe" and his 1946 team a very successful year.

BOB LORD '46

## *Boys' Physical Education*

With a few exceptions, the boys' physical education continues along the same lines under the capable planning of "Joe" Roderick.

The upper classmen still have "gym" class every day and under classmen every other day with correctives on Tuesday and Thursday. These correctives help build up possible weaknesses and correct poor posture.

The end of the war brought about a change in the type of "gym" work. "Joe" has eased off on his wartime schedule and introduced almost entirely new and different classes. Along with a less vigorous workout they consist of various relay races, practice in basketball skills, and "rough and tumble" basketball games with the whole class participating. During the fall a short period of boxing, the elementaries and a few bouts, was introduced to go along with that taught in previous years. After Christmas "Joe" handed out nearly

six weeks of the primary holds in wrestling. This also included a few bouts for each man.

Aside from those few changes everything goes on nearly the same. Upper classmen who are taking five subjects and a sport may be excused from gym to remain in assembly hall.

The monthly "tests" continue also with the approximate averages as follows: push-up, 40; pull-ups, 12; "dips" at 15 and the standing broad-jump at 7 feet. On the time basis, the L-test is averaged at 11 seconds and the sit-ups come to approximately 35 a minute. The time race of five laps averages  $2\frac{1}{4}$  minutes. Ordinarily, these increase each month.

With "Joe" Roderick's ideas and plans, plus the help of all classes and certain apparatus, another successful "gym" exhibition is expected to finish off the 1945-46 school year.

### *Girls Physical Education*

One of the main events of the year, the girls' gym meet, was held after spring vacation last year. The girls demonstrated to the rest of the school and to interested parents what they could do after a year of work with Miss Newman. There was competition in gymnastics and exhibition by a picked group in apparatus. The Senior class of 1945 walked away with the top honors.

After the excitement of preparing for the gym meet had died down, the girls took up soft-ball and advanced tennis. The Junior class of last year won the soft-ball in a final game held in the field house. When it was dry enough to play tennis, those who thought they were advanced enough, entered the tournament.

This fall, after old books had been dusted and new ones broken in, the girls were given the opportunity to take field hockey, beginners' tennis,

hiking, and archery. Balls were slammed around the hockey field for quite a few weeks before the more efficient were placed on teams. The seniors won. They also won the archery in a very close tournament.

At the first signs of snow ski enthusiasts dragged out ski equipment and began to mend moth holes and wax skis. Many girls had hopes of participating in both basket-ball and skiing but, after considerable consideration, Mr. Chivers and Miss Newman decided that it would be best to take only one and really concentrate on it. Many did not decide which they would take until after Christmas. The basket-ball tournament was won by the sophomores. The freshmen won the skiing competition which was held at the Winter Carnival.

The badminton tournament was started right

after spring vacation but, because of the large number of players, the final results have not yet been determined.

After the basket-ball games are completed, volley ball will take most of the girls' attention. Last year the final game, which was between the juniors and freshmen, was played at the gym meet. The class of '46 won.

Much of the credit for this lively sports' schedule

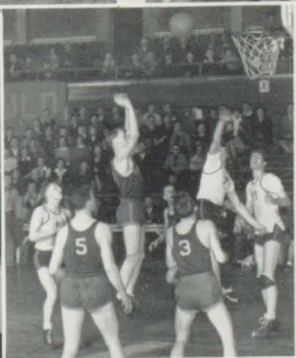

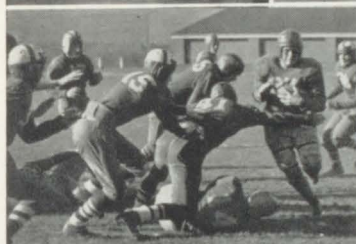

should go to the Girls' Athletic Council. Besides choosing class teams in each sport, the girls in the council have sold tickets and cokes at different games and given parties for the rest of the school. Also much of the credit must go to Miss Newman. It is because of her excellent guidance and teaching that the girls are able to sponsor such successful parties and interesting exhibitions.
